

Are you looking to join a team:

- that thrives on offering hope and health to an entire community
- that is dedicated to maintaining an excellent work space and environment -in all areas
- that offers a quality, highly sought after service - where you will be busy straight away
- where it's safe to be real
- that has each other's backs
- that welcomes new, innovative ideas - we love to find ways to do things better
- that's passionate about growth and development -both personally and professionally
- that has fun along the way

If yes, we are on the lookout for chiropractors who are:

- open minded
- patient centred
- thorough
- gentle
- friendly
- who value great communication
- who value practicing with a team that supports and respects each other

For the right person the position can be tailored to suit your needs and goals, including:

- hours
- generous, secure remuneration
- uncapped bonus system
- seminar cost support
- training and mentoring
- relocation support

We love serving a wide cross section of different ages, professions and backgrounds. Techniques used currently in the clinic include Thompson, AK, SOT, Activator/Impulse, Diversified, and NET.

**The position requires a passion to serve and learn**, it does **not** require prior training in the above techniques, we can help with in and out of house training. New graduate applications welcome.

The practice is located in the riverside town of Tumut, nestled at the foothills of the Snowy Mountains. Tumut is about halfway between Sydney and Melbourne, and just over 2 hr drive to Canberra. Hiking, cycling, snow and water sports are on our doorstep, with the picturesque blowring dam and national parks a short 15 min drive away.

If you would like to learn more about the team, position or how to apply please contact Jess at [drjess@nestchiro.com](mailto:drjess@nestchiro.com)
